

Free Business Counseling

Calumet County offers a free service for entrepreneurs, start-ups, and existing businesses – one-on-one meetings with a business counselor from the Small Business Development Center. Our business counselor is available to meet with Calumet County entrepreneurs and businesses at the Courthouse in Chilton; he also travels to individual business locations for the counseling sessions.

The individualized business counseling sessions are held to help answer questions and put businesses and entrepreneurs in a better position to make the best decisions for themselves and their businesses. To learn more, or to schedule a visit with the business counselor, contact Mary Kohrell at 920-849-1680 or mary.kohrell@calumetcounty.org.
