

SUMMER CAVE TOUR SCHEDULE

All cave tours are led by a naturalist and include information on the geology, biology, and human history of the caves. The caves are cool; visitors should consider wearing long sleeves/pants/shoes (not sandals). Caves are accessed by stairs and ladders. Opportunities for exploring are provided. The more fun you have, the dirtier you get. When the caves are wet, "dirt" means mud. **Bring flashlight.** Cave tours usually last about two hours. No reservations required: first come, first served (Our optimal limit is 35 people. If you are bringing a group, you should make a separate reservation). No access to caves except on guided tour. Note tour start times!

MNORS MUST BE ACCOMPANIED BY SUPERVISING ADULT.
