Others Present were: Highway Commissioner, Brian Glaeser; Highway Shop Superintendent, Mike Gaskell; Jesse Hall (Keller Inc.), and Colin Meisel (Ruekert & Mielke).

The pledge of allegiance was recited.

Moved by Supervisor Barriveau, seconded by Supervisor Dietrich to approve the agenda. Motion carried unanimously.

Moved by Supervisor Budde, seconded by Supervisor Mueller to approve the minutes from the January 8, 2020 Highway Committee Meeting. Motion carried unanimously.

Public Participation:
None

Report of Committee Members:
Supervisor Draheim reported that he attended the WIS 32/57 DOT Informational Meeting that was held at the Kiel Community Center on February 25th. The meeting was basic information from the WDOT NE Region as they prepare for the resurfacing of the roadway from CTH AA (Truck Route) in Kiel to Jordan St. in New Holstein along with the bridge deck just north of the City of Kiel. The project is tentatively planned for 2023.

Communications:
Highway Commissioner Glaeser informed the committee that we received a Design Quality Index Report for the Weeks Rd. Bridge Replacement. We received very good marks for Ayres & Associates as they received a 6.9 out of 7.0 for their design. The project is completed and the parties are very satisfied.

Items for Action or Discussion:
A. CTH KK Development at State Park Road: Highway Commissioner addressed the committee that he has been in contact with officials from the Town of Buchanan, Ruekert & Mielke, and Keller Inc. since August of 2019 on a possible development in the NW quadrant at the intersection of CTH KK and State Park Road. The development would be a gas station convenience type store. Upon discussions, Highway Commissioner had some concerns about traffic flow and the traffic patterns. It was decided by Commissioner Glaeser and County Administrator Romnesenko to bring to committee for a recommendation. The developer has agreed to pay for improvements on CTH KK, which would amount to turn lanes in each direction. The committee discussion followed. Moved by Supervisor Budde, seconded by Supervisor Dietrich to allow staff to enter into a discussion with the parties on the improvements along CTH KK for this development. In addition, the motion was made that the party would bond for these improvements, which would be part of the agreement with the county and the developer. Discussion on the motion followed. It was advised that Commissioner Glaeser should contact the Village of Harrison to see what kind of added development they will encounter in the future. In addition, Commissioner Glaeser needs to check on any right of way conflicts.

These minutes HAVE BEEN approved by the Highway Committee
that may be an issue prior to the approval of this project. The motion passed 4-1 with Supervisor Mueller voting against.

B. Review Bid and Award for the Purchase of the 2020 Hot Mix Asphalt: Highway Commissioner Glaeser explained that four bids were received. They are as outlined in the table below. Committee discussion followed.
