RE: Calumet County Agent Status Approval for POWTS Plans

Calumet County has been designated plan review authority under s. SPS Table 383.22-2 (1). Delegation is limited to POWTS that will completely utilize treatment and dispersal technologies or methods approved under s. SPS 384.10 (2) or (3) or recognized under s. SPS 383.60 (1). This delegation is limited to Non-pressurized In-Ground systems for public and commercial buildings, Mounds, At-Grades, and In-Ground Pressure Distribution systems with a maximum design wastewater flow of 1,000 gallons per day. Plan which are not designed in accordance with a DSPS approved component manual, otherwise known as "Individual Site Designs," or utilize DSPS approved products, must be submitted to DSPS for review.

The Calumet County Planning, Zoning, and Land Information Department will provide plan approval review within 5 business days of receiving a complete plan set and corresponding plan review fee. This review timeline does not extend to plans in need of revision, or if the department requests additional information that is required. Below are the associated plan review categories and corresponding fees.
