

Parent/Guardian Support Component

These five strategies have been shown to help prevent alcohol and other drug use by adolescents.

1. Monitoring
2. Appropriate role modeling
3. Building a warm and supportive relationship
4. Establishing appropriate parent-child communication
5. Maintaining awareness of peer relationship

Always have a plan!

FIVE-STEP PLAN

- Stop
- Think
- Choose
- Act
- > Evaluate

Teen Intervene

Prevention and Early Intervention for youth with a low severity of substance use.

The Choice Is Yours

What is Teen Intervene?

Teen Intervene program helps youth and teens identify the reasons for their alcohol and drug use, provides personalized course of action to make healthier choices and offers education in the following areas:

- Identify the pros and cons of their use.
- Identify the reasons they use.
- Learn new skills to promote healthy behaviors
- Take responsibility for self-change.

Why am I being referred to Teen Intervene?

This program is designed to provide the underage offender an alternative. It is designed to offer an opportunity to take a hard look at behavior in terms of alcohol usage.

Offenders under the age of 21 who have been cited for an alcohol-related violation (State Statute 125.07(4)(a)) and are required to appear in court have two options:

1. Have your drivers license suspended and be assessed a forfeiture or,
2. Comply with the Underage Drinking Diversion Program-Teen Intervene.

What does Teen Intervene require for successful completion?

Step 1 A brief phone screening to determine appropriateness.

Step 2 Two 120 minute group sessions

Group 1

- Introduction, establishing ground rules
- Pros and Cons
- Triggers and Cravings

Group 2

- Readiness to Change, establishing goals
- Readiness to Change 2, peer pressure decision-making skill

Step 3 Parent/Guardian Session-by appointment and mandatory for anyone under the age of 18

- 6-Steps Exercise
- Family Rules on alcohol or other drug use
- Parent/Guardian goals

What incentive is there for me to participate in this program?

First Lifetime Offender:

If you choose to participate in the Underage Drinking Diversion Program and comply with the recommendations, your driving privileges will not be suspended and you will receive a reduced forfeiture.

Second Lifetime Offender:

If you complete an Alcohol Assessment and follow the recommendations, you will receive a minimum suspension of your driver's license and a reduced forfeiture.

TEEN INTERVENE

HOW DO I REGISTER?

Contact Calumet County Health & Human Services Department to request registration materials and for Teen Intervene. You are registered once you return the completed registration materials and make the \$85.00 non-refundable payment.

Phone: (920) 849-1400

Toll Free: (833) 620-2730

Hours of Operation:

Monday - Friday

8:00 AM - 4:30 PM

If I don't comply, what will happen?

If you fail to comply with the recommendations of the program, you will be assessed a forfeiture, court costs, have your drivers license suspended, and be responsible for the reinstatement of your driver's license.
