

Calumet County Ag Stewardship Alliance

Calumet County Ag Stewardship Alliance is a nonprofit group of innovative farmers, committed community members and other professional partners dedicated to championing sustainable farming practices that protect and improve water quality and soil health.

What we do:

- ✔ Measure progress in protecting and improving drinking water for our neighbors and our families
- ✔ Hold field days to empower other farmers to try innovative farming practices
- ✔ Work to bridge the gap in understanding between farmers and other residents through community outreach

CCASA demonstrates farmers' collective commitment to protecting and preserving our natural resources.
