Please carefully read the statements below, initial, and provide the required information and signatures

I have reviewed Chapter 10 of the Calumet County Code of Ordinances regarding erosion control and stormwater management and I agree to comply with the requirements of the ordinance(s) and with all applicable federal, state, and local laws and regulations. I further understand that I am responsible for ensuring that all individuals working at this site understand and comply with the requirements of this ordinance.

I understand that the conditions of the permit are minimum requirements and that, upon site inspection, further measures may be required for compliance with the ordinance. I understand that all required erosion control and stormwater management measures shall be installed and maintained as described in the permit plan. I understand that weekly inspections shall be performed and that weekly inspection reports, along with all approved plans, shall be kept on-site.

Erosion control / stormwater management (circle all that apply) measures will be completed by:

I agree to notify the Calumet County Land & Water Conservation Department within 48 hours of commencing any land disturbing activity, and following the installation of any Best Management Practices (BMPs). In addition, I agree to obtain permission in writing from the Calumet County Land & Water Conservation Department prior to any modification of the erosion/sediment control plan and/or the stormwater management plan.

I agree to maintain all BMPs and if necessary repair any damage to adjoining lands and/or drainage ways resulting from land disturbing activities at the site until final inspection approval by the Calumet County Land & Water Conservation Department.

Stormwater Management projects only

I have submitted a Stormwater Management Practices Maintenance Agreement for the site to the Calumet County Land & Water Conservation Department, had it approved by said Department, and will have it recorded in the County Register of Deeds office. I understand that before the Department can issue a permit, I need to forward the Department a copy of the recorded agreement. I agree to comply with said agreement. In addition, upon completion of site construction, I will submit accurate final construction documentation (i.e. "as-built") to the Calumet County Land & Water Conservation Department.

Stormwater management maintenance will be performed by :
