MANURE REQUIREMENTS IN COUNTY RIGHT OF WAY

Check List Requirements to place Manure Distribution Tank within County Right of Way

- 1) Right of Way Permit Application to be filled out by owner of dairy from which manure is being generated. (See permit and fee on County Web Site at www.co.calumet.wi.us).
- 2) Follow Manual of Uniform Traffic Control Devices (MUTCD) which can be found at <http://mutcd.fhwa.dot.gov/kno-millennium.htm> for work zone signage and installation within the work zone. (Signs shall be at least 48" x 48" with Prismatic Sheeting or Higher Grade intensity)
- 3) Follow Part 6 of the Manual of Uniform Traffic Control Devices (MUTCD) which can be found at <http://mutcd.fhwa.dot.gov/kno-millennium.htm> and the Wisconsin MUTCD Supplement which can be found at <http://www.dot.wisconsin.gov/business/engrser/vwmutcd.htm> containing the standards for proper flagging procedures. Flagging personal shall be properly trained and outfitted with approved ANSI Std. Class 3 garments.
- 4) Flagger STOP/SLOW paddle shall be octagonal, with prismatic sheeting or higher-grade intensity at least 18" x 18" with 6" high letters and shall be mounted on a rigid handle. A minimum 5' mounting height is required.
- 5) Operational hours of Manure Distribution Tank and Equipment within County Highway Right- Of-Way shall be ½ hour after sunrise to ½ hour before sunset. No night operations shall be allowed, and the distribution tank shall be removed from the County Highway Right-of-Way at the end of Operational Hours.
- 6) Cost of repairs to the route utilized and at the dispensing location will be borne by the manure supplier and contracted hauler for damages to roadway, edge of roadway, shoulder, ditch fore slope/backslope, R/W etc.
- 7) Manure Supplier and Contracted Hauler shall follow Insurance Requirements listed below.

Liability Insurance. Dairy and Contracted Hauler will maintain such general liability, vehicle liability, and property damage insurance as shall protect the Dairy and Contractor from all claims for liability, damages, personal injury, including accidental death, as well as from claims for property damages which may arise. The minimum amount of insurance shall be as follows:

A. Farm and/or General Liability Coverage
\$1,000,000 General Aggregate
\$ 500,000 each occurrence limit

B. Farm and/or Business Automobile Coverage

Limits - \$500,000 each person/\$500,000 each accident for Bodily Injury and \$100,000 for Property Damage
OR
\$1,000,000 Combined Single Limit for Bodily Injury and Property Damage each accident

C. Pollution Liability Coverage
\$2,000,000 General Aggregate
\$2,000,000 each occurrence limit

County shall be named as an additional insured on all policies. Manure Supplier and Contracted Hauler shall provide confirmation of coverage by providing a certificate of insurance to the County prior to commencing distribution activities. All insurance companies shall be licensed to sell insurance in the State of Wisconsin.

- 8) A Permit is required along with meeting the insurance requirements. Persons operating without an approved permit will have operations shut down immediately.

Placement of Portable Manure Lines in the Ditch on County Right of Way

1). All portable manure lines to be placed in the county ditch right of way along with a desire to push them through cross culverts as a means of transporting manure from one side of the road to another must be communicated to our office.

2). A permit is required along with meeting the insurance requirements. Persons operating without an approved permit will have operations shut down immediately
