

CAMPING POLICY

Each unit must register and pay camping fees in full in advance.

Rates include one recreation vehicle and one tent or 2 tents per site. Maximum of 3 tents per site is allowed. The third tent is allowed at an additional fee.

Before Memorial Day and after Labor Day all late arrivals (after office hours) must register at self-registration station and pay all appropriate fees in advance of using camp site.

All reservations must be paid in full at time reservation is made.

During the period of Memorial Day through Labor Day, the self-registration is closed and campers must register during office hours.

Camping rates are based on 4 adults per site. Family members, 17 years old and under, stay free on same site after properly registering camping units.

Check out time is 2:00 PM. Check in time is anytime the site is available on check in day or 3:00 PM, whichever is earlier.

All campers wishing to stay longer must register by 10:00 AM on the original day of departure.

All vehicles must register and properly display car pass. Only two vehicles per site are included with fee. Additional fee is charged for more than two vehicles.

We reserve the right to make adjustments in site assignment.

This is a family campground; therefore, NO MINORS (17 and under) are allowed to camp without a parent or legal guardian. Prior to Memorial Day Weekend all campers must be 21 years old to camp without a parent or legal guardian.

Quiet hours begin at 11:00 PM and end at 8:00 AM. We do expect that excessive noise will not come from a campsite at any time.

RV units must be registered and shall bear a label, symbol, or other identifying mark of a nationally recognized testing laboratory, inspection agency, or other organization which evaluates products to nationally recognized standards NFPA 1192 or ANSI 119.5

Campsites will be designated by the type of camping unit permitted. Tents are permitted on Tents Only Sites. Pop up campers, fold down campers, and tents are permitted on Pop Up Sites.
