

## License Agreement for Calumet County Digital Geographic Data Sets

**License Terms** Calumet County produced or co-produced many digital geographic data sets (hereafter referred to as "licensed data sets") that are copyrighted original works. They are licensed for use, not sold. Calumet County and its co-producers reserve all rights of authorship granted under U.S. and International copyright laws and agreements. By obtaining licensed data sets, the Licensee agrees to abide by all terms and conditions of this agreement. This document constitutes the entire agreement between the parties, and it supersedes any prior agreement, oral or written.

**Protection of Proprietary Rights** Reproduction or redistribution of licensed data sets or products derived therefrom outside of Licensee's organization or entity, without the express, written consent of Calumet County through the Calumet County Land Information Department, is forbidden, except as expressly provided as follows.

1. Redistribution of licensed data sets to consultants working for the Licensee is permitted only for purposes related to Licensee's business. Such consultants may not further reproduce or redistribute said licensed data sets, and such copies must be returned to Licensee upon completion of the consultant's work.
2. Reproduction or redistribution of up to 6 hard copies derived from licensed data sets is permitted provided proper credits are printed on each copy. (See 'Credits' below.) More than 6 copies may be reproduced or redistributed for non-commercial purposes only (e.g. government agency publication or use by a non-profit organization).
3. Calumet County data may be made available on a public website provided Calumet County is given proper credit as the source of the data and that the website does not allow downloading of the data. The website must be secure. Calumet County data on the website may not be modified without Calumet County's consent.

**Liability** The burden for determining 'fitness for use' rests entirely upon the requestor/Licensee. Calumet County and its co-producers will not be liable in any way for accuracy of the data, and assume no responsibility whatsoever for direct, indirect, special, consequential, exemplary or other damages. Licensee agrees to indemnify, hold harmless and defend Calumet County, its employees, agents, representatives and co-producers from any and all claims, damages, liabilities and expenses arising from Licensee's use of licensed data sets or products derived therefrom.

**Scheduling** Orders for licensed data sets do not command priority over other projects or work demands of the Land Information Department. Requesters are advised that significant delays may sometimes occur due to staff shortages or schedule constraints and orders will be filled within normal operations of the Land Information Department. Requesters are encouraged to order early.

**Costs** Use of licensed data sets is licensed by Calumet County according to the attached price schedule. Fees paid are not refundable. Purchase orders are acceptable from government agencies. Prepayment is required for all other entities. Checks should be made payable to "Calumet County Planning."

**Updates** Said licensed data sets are licensed as distributed "as is" on a one-time basis. Calumet County is under no obligation to inform Licensee of data updates, alterations, or accuracy errors discovered thereafter. The burden of ordering and paying for updated copies of data sets rests entirely upon Licensee. Revisions may be made at Calumet County's discretion on a time and funding available basis.

**Credits** Any paper copies derived in whole or in part from said licensed data sets shall clearly indicate their source and copyright. If Licensee modifies the data in any way whatsoever, Licensee is obligated to describe the modifications performed on the paper copy map. Any altered graphic elements shall be clearly symbolized to distinguish them from original graphics contained within licensed data sets. Licensee specifically agrees not to misrepresent Calumet County licensed data sets, nor to imply that changes made by Licensee were approved by Calumet County unless express written permission is received from the Calumet County Land Information Department.

**Severability of Provisions and Venue** If any portion of this agreement is found to be invalid or unenforceable, the remaining provisions will remain enforceable to the fullest extent permitted by law. Any cause of action arising from this agreement shall be venued in Calumet County, Wisconsin and decided pursuant to applicable Wisconsin and federal law.
